

# *Canaan Recycles!*

In 2018 Canaan recycled 26% of all of its trash! More than 370 tons of old plastic, tin, paper, glass and aluminum were sold to make new products!

**Including labor, Trash costs \$138 a ton. Recycling last year cost \$108 a ton including labor.**  
**We changed our system in 2016 so that the cost is much less than trash. This means recycling will be 27% lower than the cost of trash disposal, even with low markets for recyclables.**
