Canaan Union Academy.

This Institution in its location combines every advantage of a salubrious climate and pleasant scenery. No pains will be spared by its officers or instructors to render it a favourable resort for young persons who wish to pursue a thorough course of study. There are two rooms for recitation, and the Scholars are classed according to the branches pursued, but all are under the care and direction of the Principal.

Course of Study.

Instruction is given in the various studies required for admission to College, in the French language, and in all the English branches taught in similar institutions.

Expenses.

The Tuition is \$3,00 per term. After the present term an additional charges of \$1,00 will be made to those attending to the languages. Board can be had in good families for from \$1,00 to \$1,50 per week. Students who wish to board themselves can obtain convenient rooms near the Academy, at a moderate charge.
