

TOWN OF CANAAN EMS

56 NH ROUTE 118 CANAAN, NH 03741

CANAAN EMS SERVES THE TOWN 24/7, 365 DAYS OF THE YEAR. HELP US CONTINUE TO HELP YOU!

We currently have 12 regular responding members covering just under 500 calls so far this year. **That's 60 more calls than last year! This month, we increased our full-time employees from 1 to 2 to assure timely coverage.** Due to COVID, our providers have also increased their training in order to keep our citizens and providers safe.

We rely on voluntary donations for about 6% of our budget.

Your donation makes the new full-time employee possible.

Please give if you can. Thank you for your donation.

Check the box below if you would like a “FILE OF LIFE”. This allows EMS easy access to a quick medical history in case of an emergency.
